#### ELECTION PETITION

Ward No. 2 of Municipal Committee, Shahdara.

**Petitioner** :—L. Ratan Lal S/o L. Nanak Chaud.

**Versus**

**Respondent** :—Ch. Hukam Singh S/o Bharat Singh.

**No. F. 4(30)46-L.S.G.**—Order of the Chief Commissioner, Delhi on the election petition mentioned above, declaring Ch. Hukam Singh S/o Bharat Singh duly elected to the Municipal Committee, Shahdara under Section 255 of the Punjab Municipal Act, 1911 as extended to the Delhi Province.

#### ORDER

I have considered the report of the inquiring officer, the Deputy Commissioner, in the election petition filed by Lala Ratan Lal against the election of Chaudhri Hukam Singh to the Shahdara Municipal Committee. The election was held on the 6th of January 1945. The Deputy Commissioner found that a few people had died before the election was held but yet votes were cast in their names and similar in the case of a few who say that they were away at the time of election. He has held that these were material irregularities and recommended that the election be declared void, although neither the respondent nor his agent had been found to be guilty of corrupt practices.

I agree that personation is a corrupt practice under rule 72 but under rule 71 no election shall be valid if any corrupt practice is committed in connection with an election by a candidate or any of his agents. It has not been shown that the personation mentioned by the Deputy Commissioner was in any way the result of activities by

the respondent or his agent, and, therefore, the election need not necessarily be declared invalid.

Under rule 82 material irregularities can be held to justify an election being declared invalid, but it is not mandatory but merely permissive.

The irregularities mentioned by the Deputy Commissioner were I admit irregularities which were objectionable, but I do not consider that they were sufficiently material to justify the upsetting of this election at this late date, namely nearly two years after the election was held. As I have said, it has not been shown that the respondent or his agent was in any way responsible for them.

In the circumstance I reject the petition of Lala Ratan Lal.

Costs on parties.

To be communicated.

W. CHRISTIE,

*Chief Commissioner, Delhi.*

3rd December, 1946.
